Extraordinary Minister of Holy Communion - Captain Duties - Saturday Evening/Sunday Masses

- **Captains should arrive at church at least 15 minutes prior to the start of Mass.**
- Make sure the key to the tabernacle is placed on the **tabernacle table**.
- Make sure the **offertory table** is set up (or has been set up). On the offertory table will be one (1) ciborium with hosts, water cruet, wine cruet (small amount of wine when we are not distributing the Precious Blood of Christ). Please make sure there are enough hosts for your Mass. If your Mass is larger than normal, please ask the presiding priest if he thinks we need additional hosts. If so, this additional ciborium (with cover) should be placed on the **credence table**.
- Make sure the **credence table** is set up (or has been set up). There should be a corporal covering the table. If you do not see one please get one from the closet. The chalice/purificator/paten (containing priest's host only)/pall should be on the table. If you are not sure of the color of the pall please look at the wall calendar from D'Agostino. There is a key either above, or or below each Month. Look for the word *Vestments*. The color of the pall should coordinate with the color of the vestment worn by the priest. Each day is assigned a color. If a particular day has two colors listed, please consult with the presiding priest. Also on the **credence table** should be the water bowl, towel, two (2) pewter chalices, each with a purificator neatly placed inside. Keep in mind, *the two (2) pewter chalices/purificators are only needed when we are distributing the Precious Blood of Christ.*
